Subject: SAICM and POPs/PIC write-ups for EPA debrief
Attachments: EPA SAICM Update - November 2019.docx; EPA Update on POPS & PIC - November 2019.docx

Hi Karissa and Monique,

Here are write-ups for the EPA debrief, based on our trip reports. Monique, could you make the second half of the meeting if we schedule it for 11:30-12:30 on November 14th? We could spend the first part going over SAICM. Otherwise we will look for a different day/time.

Thanks, Laura
